Mr. Richard Kleindienst
Deputy Attorney General
The Department of Justice
Washington, D.C.

Dear Mr. Kleindienst,

Because of your recent requests to Mr. Jaworowski, I assume you find the subject of this letter is not in litigation and I would prefer that it not reach that stage. I wrote you because, under rules, you are the person I am required to address.

Pamela Colby, town of Lee Oriens, was an associated of Jerry Brechs Milton and others who figured in the investigation of the assassination of President Kennedy. Lee Harvey Oswald also applied to him for a job. Oswald had Colby's office address coded in his notebook. Colby was formerly the anti-Castro, fund-raising organization that used an address Oswald also used. Arcadia was the New Orleans head of counterrevolution established, directed and financed by the CIA.

Colby's office address was once the object of a break and theft, New Orleans, also home address was 544 Jackson Street. The address his organizations ("The Crusade to Free Cuba"). Oswald and Arcadia will used to 544 Camp Street, which is identical with a side entrance used by the FBI to mask this address, 531 Lafayette Street.

Colby claim to have been interrogated for 100 hours. The National Archives says it has a single FBI report or even reference to him. I request copies of all interrogations. I presume it unbelievable they have denied the Warren Commission and would prefer to believe it is classified somewhere.

Colby's Lee address is less than two short blocks from Perrin and Beckham, where Oswald picketed the carrier Core in the early summer of 1963, a matter intriguing coincidence, in view of the foregoing. In the course of its investigation, which was not for law-enforcement purposes, the FBI obtained a copy of the latent/bonafide fbsa discovered, identified a fingerprint on it as Oswald's. Mr. X is one who has been Oswald's fingerprint was. I have not been able to find no record of it. I therefore ask if this fingerprint was that of anyone in any way connected with his assassination investigation. I would like to know where it is, for there are also those who would have been connected with the investigation and report not to have been.

Should you desire that I submit forms, of course. - Will. However, I do hope most unnecessary formalities can be dispensed with. Also, not until then. An /acknowledgment because he.

Sincerely,

Harold Weisberg
